The Town's Buildings Committee met and reviewed the two bids received for the Museum Foundation Project. McGovern let the rest of the board know that they recommend going with the low bidder.

Resolution #131 Town of Lake Pleasant Town Board to Award the Museum Foundation Project Bid to Joe Adamkoski Contracting, LLC, 380 Progress Rd., Gloversville, NY 12078 for $105,700.00 with Exclusions and Payment Schedule Requests after the Adirondack Architectural Heritage's Adirondack Rural Revitalization Program Approves the Project to Start.

Moved to discussion:
Offered by: Braunius
2nd by: Parascandola

McGovern reviewed the two bids and stated that the committee went with the lower bidder who is a familiar contractor with competitive pricing. The other company is unknown to the committee and bid much higher.

Parascandola wanted to make sure that the statement is, that the contractor can be approved but the project is still under the archaeological review process. This means the project cannot start until the grantee gives approval to start the project.

The board agrees that they cannot sign the contract with the bid winning company until after the grantee gives approval to start the project.

ADOPTED by the following vote:
Ayes: All Supervisor Bain, Councilpersons – (McGovern, Braunius, Parascandola and O'Connell)
Nays: None

*****ON A MOTION BY: Braunius 2nd by: O'Connell TO ADJOURN @2:46 P.M.**
ALL IN FAVOR

Respectfully submitted,
Stephanie Smith, Town Clerk
