# AGREEMENT FOR SERVICES

This agreement is between the Town of Lake Pleasant and the Town of Arietta, effective October 2nd, 2025, for a 3-year term.

WHEREAS the Town of Lake Pleasant will agree to haul the Town of Arietta's wastewater that is generated from its Highway Department garage's drain system.

WHEREAS the Town of Arietta will provide the Town of Lake Pleasant with a copy of the contract between the Village of Speculator and the Town of Arietta that allows the dumping of the above-mentioned wastewater at their facility.

WHEREAS the Town of Arietta will supply and maintain the oil separator and pumping system needed to pump the water from their holding tank to the Town of Lake Pleasant's water truck. All water shall be free of debris, oil, and other foreign matter not accepted by the Village of Speculator's Water Department.

WHEREAS the Town of Arietta's Highway Superintendent will notify the Town of Lake Pleasant's Highway Superintendent when the water needs to be hauled, and the Town of Lake Pleasant will arrange a time that is mutually convenient for both towns to haul the water.

WHEREAS either town may cancel this agreement by giving written notice to the other town. Notice must be in a letter form and delivered to the Town Supervisor and/or Highway Superintendent 30 days prior to cancellation of the agreement.

NOW, THEREFORE, be it resolved that the Town of Lake Pleasant agrees to haul the Town of Arietta's wastewater as needed, this will be a shared services agreement with no charge to the town.
